

Glad Tidings Christian Academy Insurance Form

This section must be completed by the parent/guardian before any participation (conditioning, competition, practices, scrimmages, or tryouts) will be allowed by the athlete.

It is my (our) understanding that Glad Tidings Christian Academy, its athletic department, its administrators, and its board of education will NOT be the primary insurance company if any medical bills or debts result from any injury to the above named player while practicing or playing in any practice session, scrimmage, or contest. If an injury occurs, the parents are first to submit bills to their insurance company. The bills that are over and above what the student's insurance company pays, VCA's insurance company will cover within their policy guidelines. GTCA's policy guidelines are available upon request by the family.
